South Florida SPCA

Dear Animal Lovers

As supporters and animal lovers of **South Florida SPCA**, we want you to be the first to know about a very special **Anniversary Fundraiser, celebrating 30 years of South Florida SPCA in Miami-Dade**. Touching many animals and human hearts **South Florida SPCA 's Hearts & Hoofbeats** will recognize a momentous milestone for the SFSPCA celebrating 30 continuous years of operations rescuing, rehabilitating, retraining, and rehoming horses and other animals.

Hearts & Hoofbeats will take place on **Friday, February 10, 2023, 6-8 PM** in the **Leku Magic Garden at the Rubell Museum** and promises to be a celebratory cocktail in a magical garden featuring a unique auction, pre-Valentine's Day love and goodness, and much more! We will **honor Commissioner Sally Heyman** for her extraordinary commitment to being a champion for animals. South Florida SPCA is the last line of defense for abused and abandoned horses and livestock, it's the only thing standing between them and starvation, death and even slaughter, and proceeds raised from the event will support this very important mission.

We encourage you to entice your favorite partner and friends for a night under the stars and would like to invite you to **join the Host Committee by committing to four tickets at \$150 for a total of \$600, or to consider becoming a sponsor**. Please see the attached event details with information on how you can secure your tickets and levels of participation.

We hope you will join us! Should you have any questions, please call Chris Septer at 305.796.9107 or email chris@helpthehorses.org

With thanks and warmly,
